CINCINNATI, April 16.-Cincinnati secured what seemed to be a winning lead in the second and third innings of the game to-day but their hitting failed to hold out, Chicago overtaking them in the sixth and were never headed. Poor fielding on the part of the locals aided the Chicagos materially. Cold weather, much wrangling and the banishing of Peitz from the field for criticising the umpire were

the features of the game. Score: A.B.H.O.A.E. | Chi. A.B.H.O.A.E Jones, rf ... Evers, 2... Corcoran, s.3 1 1 7 Kling, C4 Lundgren, p. Totals 41 12 27 9 4

REAL ARTICLE OF BALL PLAYED BY HOOSIERS

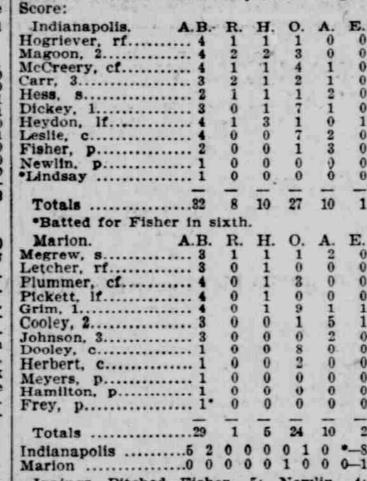

Cincinnati Falters After Early Hughes Taken Out of the Box Marion Central Leaguers Were No Match for the Indianapolis Team.

and Tallied on a Single-Fisher Pitched.

For five innings of yesterday's game between Indianapolis and Marion little Johnny Fisher, who was on the slab for the Philippinos, toyed with Jack Grim's Central Leaguers. One hit had been made of him during that time, and as he was only to pitch six innings he mounted the slab in the sixth to continue his good work. The first two men were easy for him. Then came Teddy McGrew, and he looked so worried that Fisher gave him an easy one and he hit for two bases. Teddy used to be bat boy for the Indianapolis team out on East Ohio street, and he wanted see him in short pants that he has developed into a sure-enough ballplayer. He started a little fun, and Letcher scored him with a single to center. That was the only run that Marion secured, the final score end-ing 8 to 1 in favor of Indianapolis.

The Hoosiers presented the same line-up as was used in Friday's game. Hogriever again cavorted in right, with Hey-don in left. Leslie was used for backstop duty. The infield was intact, and the men played a very fast game. They seemed to be used to the cold weather, and covered their positions in admirable fash-ion. The entire Hoosier squad played fast ball, and with a good man in left so as to permit Heydon to go behind the bat there will be no fault to find with the line-up when the season opens. Only one error was charged against the Phillipinos, and that was given to Heydon for allowing a hit to get away from him in left. Heydon retrieved himself with the stick and scored three safe ones. Magoon held second honors with two singles. Grim's men were weak with the willow but they showed very good work in the rors-Boston, 3; New York, 1. Two-base field. LAKE FOREST AND DE PAUW WILL MEET

Special to the Indianapolis Journal. GREENCASTLE, Ind., April 16.-De Pauw's new 'varsity gets into action against a college team for the first time on Monday, in a round with Lake Forest. As this is the opening of the season it is not possible to estimate closely what the work of the De Pauw men will be, but there is a very satisfactory outlook. With three men to draw on for the pitching-all of them goodthat part of the team is well taken care of. The remainder of the team, as it probably will be made up, is composed of old men in the business, who have the advantage considerable experience back of their natural skill. Belnap, in the catcher's box, s a star, and with Watson, Preston and Martin on first, second and third, respectively, all of them last year's men, there will not be much trouble from the bases, it is believed. Holmes probably will be put in at short, and Sartain, Houghland, Wil- the grounds, but it will be on one of liams, Shirley and Conley will furnish the Games have been played with the scrubs during the last three days.

WON DUAL TRACK MEET!

SOPHOMORE ATHLETES

Bosson Field by the Score of 80 to 21.

SCHOEN PUTS THE SHOT CUPS

Exhibition and Did 41 Feet and 6 Inches.

The sophomore and freshmen of Shortridge High School held their first annual track meet yesterday afternoon on Bosson Field. The sophomores won by a score of 80 to 21. In many of the events the second year boys won all the points. The freshmen were greatly weakened by the absence of Captain Darmody, upon whom they had depended to win places in the dashes and broad jump. The work of Derrick and Schoen were the redeeming features of the first year class's efforts. The former won the 440-yard dash and the one-mile run, making fast time in both events. The mile run was the hardest contested race on the programme, Copeland for the sophomores and Derrick for the freshmen running neck and neck until the last fifty yards, when Copeland tripped and fell, thereby losing the race. Schoen, after winning the shotput, made an exhibition put of 41 feet and 6 inches. This was the first time he had ever tried tossing the lead ball and with

proper coaching he can be put in shape to add at least two feet to this mark. Captain Paul Leathers was easily the College Men Piled Up Big Score Board of Directors Have Taken star of the afternoon, winning five firsts star of the afternoon, winning five firsts and cleaning up 25 points for his team.

Steps to Put Game on a His time in the 50 and 100-yard dashes was very fast considering the condition of the field. De Wees cleared 5 feet and 2 inches in the high jump and gives promise of developing into 'varsity material. Kenneth le, a brother of the famous Affred Ogle who four years ago broke the State record in the 100-yard-dash for Shortridge, showed up well in the sprints, running a close second to Captain Leathers. MANY GOLF TOURNEYS

COUNTRY CLUB TO HAVE

BE OFFERED

After Winning Event He Gave an Robert Fullerton Has Been Engaged as Instructor-Course

in Shape.

Golf, one of the best of the outdoor sports, will undergo one of the greatest booms in its history on the links of the three Indianapolis golf clubs this summer and fall. The devotees of the game are even now polishing their brassles in anticipation of the opening rounds, and as soon as the weather is such that the links can be rolled and put into proper shape then will the busy season of the caddies and club attendants start, which will not close until "the leaves turn

brown and gold." The Country Club will have its full quota of players. Last year persons desiring to visit the links were compelled to walk no very short distance, but this is entirely done away with at the present time, as the cars of the Indianapolis & Northwestern Traction Company pass the gates on the west side of the club grounds. In addition to this, the wagonette which last year carried passengers to and from the cars of the Indianapolis Terminal and Traction Company will meet every interurban car, and passengers will be carried free of charge, the wagon being run at the expense of the Country Club.

Robert Fullerton, one of the best allround golfers in the game to-day, has been re-engaged for this season. Mr. Fullerton has only recently returned from his home in Scotland, where he spent the summer, and is of opinion that the club will have one of the most successful seasons of its

Some of the enthusiasts were present at the informal opening of the clubhouse on Friday of last week and reported that the links are in excellent condition. Last year the ninth green was located in a hollow, and made good scores very difficult. This year a "clock green" has been laid out in this part of the grounds and the ninth green has been changed to a higher and more accessible place. The "clock green" is something of which very little is known by the Western golfers. It is virtually a practice green for putting. The green itself is in the shape of a clock, and the holes which are placed around its outer edge are numbered from 1 to 12. The center hole, from which the putts are made, is placed slightly to the left of the center, so that the distance from that point to each hole is different. All Eastern golf clubs have at least one "clock green," but the Indianapolis Country Club is the only organization in this city which has a practice ground of

this kind. Many of the club members have offered beautiful cups, which will be contested for this season. Messrs. Townley, Stanley and Richards are the committee of three have full charge of the affairs of the club and to their efforts can be accredited the well-arranged tourney of games which are scheduled. Cups will be given by the following members: Messrs. Morris Townley, Clarence Stanley, W. L. Millikan, L. G. Richardson, Hervey and Jack Perrin, Charles Mayer Company, T. H. Spann, Charles E.
